### SCHOLARSHIP APPLICATION INSTRUCTIONS for the 2023-2024 Scholastic Year

The USSVI Hampton Roads Base (USSVI-HRB) is concerned that the educational potential for their dependent sons, daughters and grandchildren may not be realized due to financial constraints. The membership believes that all young people who are academically qualified for admittance to an accredited college or vocational school should have the financial means to enable them to attend a school of higher education that will allow them to attain their goals.

It is with this objective in mind that the USSVI Hampton Roads Base has introduced a scholarship program for qualified individuals with an award up a maximum award of \$1,500. Enrollment in a school of higher education represents a crucial step in a student's career realization and the availability of this scholarship program will reduce the financial obstacles that might otherwise prohibit a student from furthering one's education.
