Announcing the 2023 – 24 Submarine Veterans Scholarship

The United States Submarine Veterans Inc. and the United States Submarine Veterans Charitable Foundation have sponsored educational scholarships for nearly 4 decades. These scholarships, given to submarine veterans and their families, have had a huge impact on their continuing education.

The program has expanded eligibility this year. This expansion includes vocational training, trade schools, and apprenticeships for submarine veterans, their children, and grandchildren. The application period for the next academic year is open now.

Interested individuals can visit the link below to view information about eligibility and the application process.
