**The purpose/creed of USSVI is to perpetuate the memory of our shipmates who gave their lives in the pursuit of their duties while serving their country that their dedication, deeds, and supreme sacrifice may be a constant source of motivation toward greater accomplishments, and to pledge loyalty and patriotism to the United States of America and its Constitution.**

### From the Base Commander

Greetings from the  
Commander,

Spring is in the air and so is the pollen creeping up from the south. Hope this finds everyone in fine spirits and looking forward to warmer weather. The 56<sup>th</sup> Ocean view St. Patrick's Day Parade is due to commence on 18 March 2023. This is the first year we have been officially invited to this function. We look forward to having our submarine float in the parade along with our shipmates either riding or walking behind the float. Due to this event on the 18<sup>th</sup>, our monthly submarine meeting will be held on 11 March 2023 at 1115. April is the Holland Club induction where those members with 50 years of being qualified are acknowledged and presented with goodies. Our Chairman, Bill Heron, will head-

up this event. Fran and I have registered for the National Convention in August and looking forward to seeing old friends and telling sea stories. Please come join us if you can. Keep a great board! Respectfully,

Hello everyone, I hope all are well and Ready for the green month of the Irish, Yes I am Irish. Here is a little history of a few things I accomplished while my Honey was navigating the seas. Attended Navy Wives' Course, to really know what I was getting into, an Ombudsman's Course to help other wives', and attended the Navy Relief Society Volunteer Course and also Volunteered with Navy Relief as it was it was called back in the 80's. So all in all volunteering is my second career.

From the Storekeeper:

Hello Everyone,

Had a great meeting in February and placed an order with National and it's already been received. Thank you Barry, our National Storekeeper, for getting that order out so fast! Please come by and say hello to me at the meetings and see if you would like to order anything out of our 2023 catalog. We have khaki and blue ball caps for 20 dollars apiece and other submarine memorabilia for sale. Also, I have a table set up with various clothing items that I sale for Jenny, our sewing wench. In addition, we have an area where people have donated submarine items they no longer want laying around. We ask for a small donation for those items. Come on out to a meeting, get engaged, and enjoy the fellowship of the meeting.

Hope to see you soon. Come on spring and summer – I can't wait! Xoxoxo Fran

**[Holland Club News](#)**

Gentlemen,

This year’s Holland Club Induction Ceremony is  
scheduled for our April 15<sup>th</sup> meeting. According to  
the roster we have the following three members that  
qualified in 1973:

Robert Rogers qualified on USS George Marshall  
(SSBN 654)

Bob Saenz qualified on USS George Bancroft (SSBN  
643)

Craig Werner qualified on USS Pargo (SSN 650)

Bob Saenz has requested to receive his induction at  
the National Convention in Tucson in August. Craig  
Werner will be inducted at our April meeting.

However, I have not been able to contact Robert  
Rogers. According to our roster he lives in Virginia  
Beach, but he has not responded to the email address  
listed on our roster and there isn’t a phone number.

If anyone knows how to contact him, please ask him  
to contact me by email at [bill.heron1@verizon.net](mailto:bill.heron1@verizon.net) so  
I can prepare his Holland Club package and find out if  
he will be attending our April meeting.

If you are eligible for induction into the Holland Club  
and have not been inducted, please contact me at

***Emergency Relief Fund***

Submarine Brothers, Submarine Sisters, and other associated members of Submarine Veterans Hampton Roads Base, the Base Emergency Relief Fund was created to help base members in need without having to wait for the next base meeting. This will also, allow the member in need to discreetly reach out to one of the following members: Craig Dudley on my Cell (757-618-5624), EM2(SS) Paul Schmidt (Cell: 757-481-1297), or HMCS(SS) Jack Ritz (Cell: 757-647-4669), or contact our Base Secretary, Lynn Merryman (Cell: 757-354-7259). Then the members can talk about the issue privately and vote to approve or reject and once approved reach out to the Base Treasurer to get the funds released.

There is a designated ERF donation container at each of our meetings. All funds donated are kept separate from other Base Funds.

Any questions should be sent to me by email (below).

Thank you to all that came out and supported the December Base Meeting. I hope you are excited to add the USS Atlanta to the Submarine Hall of Fame in May 2023.

### *Boats Lost in March*

**USS F-4 (Skate) (SS 23)**: Lost on March 25, 1915 with the loss of 21 men. She foundered 1.5 miles off of Honolulu when acid corrosion of the lead lining of the battery tank let seawater into the battery compartment, causing loss of control. She was raised in August 1915.

**USS H-1 (Seawolf) (SS-28)**: Lost on March 12, 1920, with the loss of 4 men as they tried to swim to shore after grounding on a shoal off Santa Margarita Island, off the coast of Baja California, Mexico. Of the crew of 25, the CO and three other men were lost. Vestal (AR-4) pulled H-1 off the rocks in the morning of 24 March, only to have her sink 45 minutes later in some 50 feet of water. She was originally named the USS Seawolf before becoming H-1.

**USS Perch (SS 176)**: Lost on March 3, 1942 near Java with no immediate loss of life, while on her first war

patrol. She survived two severe depth chargings in less than 200 feet of water by 3 Japanese destroyers. The crew abandoned ship and scuttled her. Of the 61 officers and men taken prisoner, 55 survived the war and six died as POWs.

NB: Our brother, Turk Turner, now on eternal patrol, served on USS Perch.

**USS Grampus (SS 207)**: Lost on March 5, 1943 with the loss of 71 officers and men, on her 6th war patrol. She was lost in Vella Gulf, sunk after engaging two Japanese destroyers.

**USS Triton (SS 201)**: Lost on March 15, 1943 with the loss of 74 men. She was sunk north of the Admiralty Islands during a fight with three Japanese destroyers. Triton was the first boat to engage the enemy in December 1941 off Wake Island, sinking 9 ships, 1 submarine, and a destroyer.

**USS Tullibee (SS 284)**: Lost on March 26, 1944 with the loss of 79 officers and men, on her fourth war patrol. It is believed she was a victim of a circular run by one of her own torpedoes. The lookout was the only survivor and he survived the war as a Japanese prisoner.

**USS Kete (SS 369)**: Lost on March 20, 1945 with the loss of 87 officers and men at the end of her second war patrol. She was probably sunk near Okinawa by a Japanese submarine that itself was subsequently lost.

**USS Trigger (SS 237)**: Lost on March 26, 1945 with the loss of 89 officers and men, on her 12th war patrol. She was lost during a combined attack by Japanese antisubmarine vessels and aircraft. Trigger ranked 7th in total tonnage sunk and tied for 8th in the number of ships sunk.
