MEMBER HELP Page

If you are a New Member on this Website… Choose Sign-Up. If you are an approved member, log in with your email/password. (FACEBOOK login will not work with this system - Attempted Use will not work.)

Base Members who wish to access the base private Website Member Area pages must first create an account and get approved. Once you've created a login, you must wait to receive an email from the webmaster that reads: "SUCCESS! Your request for access to the member's area of the Hampton Roads Base of the USSVI.org has been approved." -- before future attempts to log in will be successful.

NOTE: REMEMBER to sign up for access to the "member-only area." Members must use the same email address on record as used when applying for base membership. (This will be the same email address you receive informational emails from the Hampton Roads Base Secretary) From there, I will verify who you are as an authorized member using the email address you provided when becoming a Hampton Roads Base member. If after following these procedures, you still have an issue, don't hesitate to get in touch with me by selecting Contact from the menu. We'll determine the solution together.
